

Frinfri

Dondoli e Pocci

The geometric design of the frame makes them light-weight, while a game of balances between sharp corners and rounded angles supports a removable tray. The tray can be made of metal in the same colour of the base or, to create a contrast between the finishes, it can be embellished with a ceramic top. Frinfri coffee tables are available in three different heights.

BASE AND TRAY

mat white painted metal

mat black painted metal

mat anthracite grey painted metal

mat lead painted metal
